ABSTRACT

We give a complete reference for work cited in [M.H.M. Rashid, Property (gb) and perturbations, J. Math. Anal. Appl. 383 (1) (2011) 82–94].

Although [1] was listed as a reference, Lemma 2.6 of [2] did not cite the corresponding result, Corollary 2.9, in [1]. Note that the proofs of this result in the two papers are different. In addition, Theorem 2.12 of [1] reappeared in slightly different form as Proposition 2.8 of Rashid [2].
